Save the Dates!

Annual General Meeting - Thursday 9 July at 11.00am

In accordance with our Club's Constitution, we will be holding our Annual General Meeting (AGM) at 11.00am on Thursday 9 July in the Club Rooms. The Club's operations, as well as its structure and financial members is required for it to proceed.

Your attendance is vital to ensure we can continue moving forward with a newly elected Committee. Please bring along any suggestions and ideas on growing the Club or how the Club's membership will be served after the AGM.

All Committee positions will be declared vacant at the AGM. Nominations are now open for the Executive Committee and the Committee for the 2024/25 year.

We encourage any member interested in contributing to the running of the Club to submit a nomination form. Nomination forms are available from reception.

The following positions need to be filled:

- President
- Vice President
- Secretary
- Treasurer
- Committee Members

Your participation and support will help ensure the smooth and successful operation of our Club for the year ahead.

A Special Thank You to our Volunteers

I would like to sincerely thank all of our committee members and support volunteers for their ongoing support, dedication, and hard work throughout 2023-2024 financial year.

Your time, commitment, and contributions to the Club's operations and activities are important and in making our club diverse and dynamic for everyone. Whether assisting behind the scenes, helping at functions, or supporting members in many different ways, your contribution does not go unnoticed.

We are fortunate to have such a committed group of people who willingly give their time for the benefit of the Club and its members.

Thank you once again for your valued support and continued commitment to the Club.

Christmas in July Lunch - Saturday 6 July at the Club

In previous years, the Committee organised this event at an external venue. However, this year the event will be held at our Club.

The Committee is organising a special roast lunch with vegetables (roast, dessert, tea and coffee for $20 per person (including GST). Drinks will be available for sale at the bar. We will also have entertainment for later participants throughout the year. Financial Members will only need to pay $10 per person (including GST) as the Club will subsidise the remaining $10.

If places are still available, the Club will contact members after the event. However, they will be required to pay $20 per person due to the Club organising for the cost to be subsidised for financial members only.

We also have special entertainment organised - Pirates ?? Band, so don't miss out — ticket sales will be opened shortly in mid June.

The Club has a BYO liquor licence for this event.

Your Contact Details

Have your contact details changed recently? Most of us now use a mobile phone rather than a landline, and email addresses can change from time to time.

To help us keep our records up to date, we would appreciate it if you could let us know of any changes to your contact details as soon as possible.

Occasionally, we send important information by phone or email. If our records are not current, you may miss important information. Recently, we had to cancel an activity and needed to notify participants. If your contact details were not current, you may have missed out on the activity or the Club.

Correct Money - Bulk Tickets or Credit Card

Help us to help you
If you are paying for activities it is very helpful to bring the correct amount, as we do not always have change available for activities and events.

For payments of **$5 or $7**, we kindly ask that you use cash (coins or a note rather than and change ($5,10c, $5 or $10s). This makes it much easier for our volunteers when counting the week's takings at the end of the day.

Alternatively, the Club offers other convenient payment options:

- **Bulk Tickets** – $40 or $70
- **Credit Card Payments** – At the ticket, you receive **one FREE activity**.
- **Credit Card Payments** – We accept credit cards for activities.
  The Club absorbs all bank fees, so there is **no extra cost to you**.

Thank you for your understanding and for supporting our volunteers.

7 Tips for Staying Healthy over Winter

Whether you're seeking winter sun in the north, or trying to stay warm in the south, it's important to keep up your healthy habits and go on the adventure of physical activity.

1. Enjoy winter seasonal vegetables and fruit
Winter is the season for citrus fruits, which are all delicious and in season over winter. Try sourcing fruit in your local area and enjoy what's available. Also, aim to add a bunch of vegetables to each meal. Soups, stews and curries are delicious ways to add vegetables to your meals.

While fresh is best, don't be afraid to stock the freezer up with cheap and easy additions to any meal.

2. Take time for tea
Tea is the perfect drink to prevent chills, and in recent years the spotlight has been on its health benefits. Black and green tea are rich in plant chemicals, some of which are called flavonoids, which may help to reduce the risk of heart disease. Flavonoids may also help to reduce the risk of heart disease together and their risk of heart disease lower. Of course, many people who drink tea do other things that may affect their health, such as exercising more and eating a healthy diet, so it can be difficult to attribute the benefits to the drinking alone. But why not take an all of these healthy things like winter tea vegetables, taking time to enjoy tea, and going for a walk every day.

3. Choose the right amount
Eating a healthy diet is one of the best ways of keep yourself healthy over winter. Aim to include a good winter variety of fruits and vegetables and cheese with lots of vegetables to boost your health with heart healthy foods. While cooking stews and casseroles remember to trim fat off meat before cooking and to use reduced fat cheese and milk. Also, aim to use herbs and spices to add flavour to your meals instead of extra salt. Try a new recipe each week to keep it fun. For winter desserts, bake some fruit and save some for a delicious breakfast.

4. Choose the right amount
Get a warm or a physical activity program. There's lots of indoor activities to embrace over winter. Indoor bowls, indoor cricket, golf, tennis, and even indoor swimming are all great ways to exercise and socialise. Try out your local indoor swimming pool. If you're not a good swimmer or have a fear of water, consider some of the shallow pools.

5. Sit less
Get active around the house. Don't want to mess your favourite show? Try jogging or stepping on the spot or even just stretching while you watch. Try getting active gardening, cleaning, washing the dog or even doing the housework. Every little bit helps and you'll be surprised how much you can do in a day if you add up all the little things. Aim to get up and move at least every half hour to optimise the same amount of exercise as a 30 minute walk.

7. Rug up
Rug up to stay on the weather and if it's not raining, get out outside and go for it. Drive one get moving on foot, or, When you're out and about don't be shocked by keep it exercise walk or cycle to the local shops instead of driving the car. Use the stairs instead of the lift or escalator. Join a walking group or a cycling group, or maximise on Walking app and get active with friends to keep you motivated.
